# Daisy Saves

## Reduce the cost of maintaining a warm ready-to-use pool.

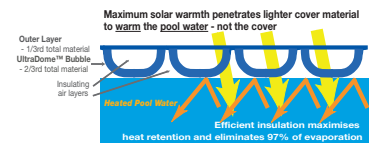

- Save more of the sun's warmth.** Warms your pool, free. By up to 8°C.
- Save on water, up to 10,000L per month.** Improves water retention.
- Save on heat loss.** Reduced heating costs, more warmth in – less heat out.
- Save on cleaning.** Helps keeps out dirt and leaves.
- Save on chemicals.** Cuts salt and chemical use by 50%.
- Save on time.** Rolls off and on in 30 seconds.
- Save on evaporation.** Cuts evaporation by 97%.
- Saves because it lasts longer.** Made better and stronger.
- Save with a rebate.** Check with your local water authority.

**More warmth in – less heat out.**  
Lighter coloured Daisy UltraDome™ Solar Pool Covers let more heat into your pool – up to 8°C warmer – blankets stop heat escaping.

**Australian Tough**  
Exclusive UltraDome technology eliminates weak points, super toughened to resist salt, sun and chemicals.

**Daisy saves you money because it's made stronger to last longer.**

**The Daisy Service Promise.**  
We honour all warranty claims promptly. If you have a problem with any Daisy product. Call us and We'll Fix it.

### 3 How to measure your pool

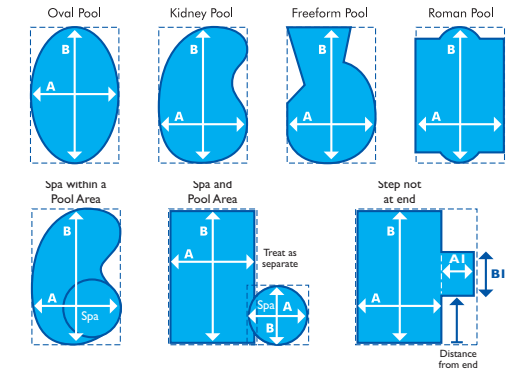

Simply decide on the essential details,  
(1) type of blanket (2) roller system  
(3) pool size: length (B) X width (A) (+ step area)  
= Total square metres.

Ask for a quote let's say - 52m2 S8B with an L100 roller.

Take into account if your pool is indoors or outside. Do you need more heat or less or have leaf debris. Remember your roller adds years to the life of the blanket. Does your pool have non-standard features? These are some determining facts you need to discuss with us.

**For shaped pools, treat as rectangular**

### 4 Order your Daisy from approved Distributor
