

Congratulations on the purchase of your Conergy PowerPlus modules. These modules are of the highest quality and come with a standard 10yr product warranty. If you would like to add another 2 years onto this warranty Conergy would love to offer you an additional 2 years for free by simply registering your system with them.

Before commencing the registration process you will need the following information:

- Installation date
- System size (kWp) – [located on your invoice](#).
- All module information (Type - 250M, quantity, article number – [2400 004 028](#), serial numbers – [located in your manual](#))
- Installation information (type, solar – [a standard roof is 22](#) and orientation of the
- Modules – [0=North, 90=East, 180=South, 270=West](#))
- All inverter information (incl. quantity of MPP trackers – [found on your inverter brochure](#) and connections – [refer to your wiring diagram](#))
- Information whether system is monitored by SunReader – [Skip this section](#)
- Installer/vendor contact details – [Superior Solar's Details](#)
- Personal details (incl. e-mail address) as well as location of the system.

Once you have this information you can proceed with the registration by following these steps:

Step 1: You can access the registration portal via the following link:

www.conergy.com/PremiumPlus-Registration

Step 2: Select the "Owners **without** registration number" link on the top right in order to begin entering a personal project name.

Step 3: Now enter your system information. Please follow the instructions on the relevant pages. Then enter your personal details.

Step 4: After confirming your information, complete the process by clicking "send".

The registration is complete.

Shortly after you will automatically receive a confirmation e-mail from Conergy which includes your registration certificate.

If you have any questions during this process please don't hesitate to contact Superior Solar at info@superiorsolar.com.au or 4323 9050 or 4973 1088.
